

III TRANSNATIONAL MEETING

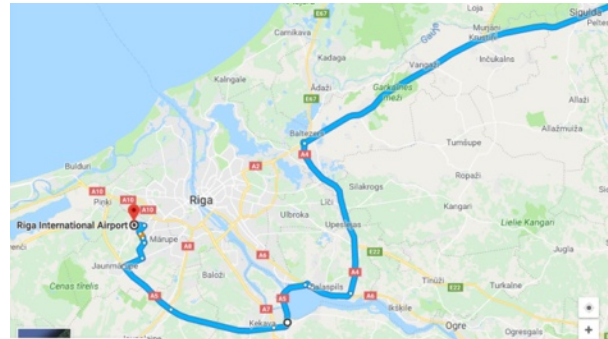

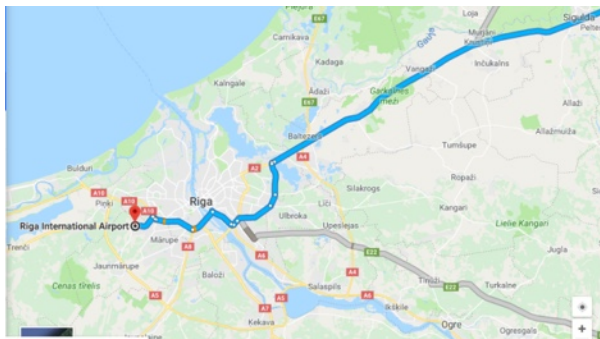

May 16-17, 2018

VÕRU (Estonia)

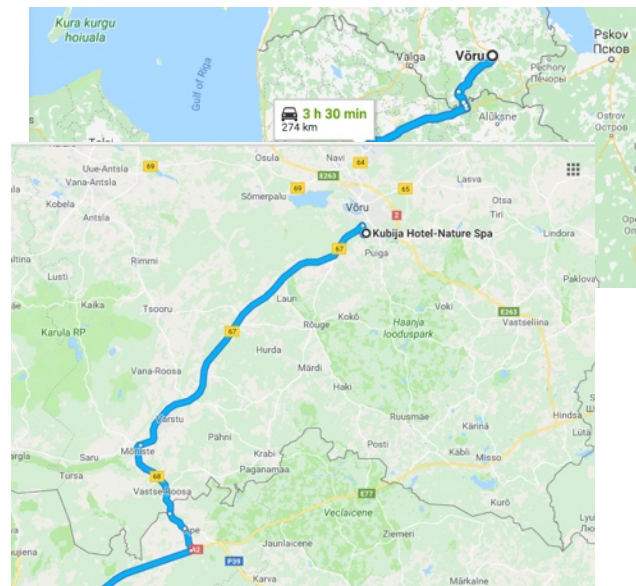

Tuesday May 15th Partner's arrival to Võru (Estonia)

• **From Riga airport by car.** You have option to take the road “around Riga” or “through town”. At daytime the town is full of traffic, so I would recommend driving around the town. Once through the

town, take road A2/E77 (leading to Pskov, Russia; in Latvian the signs show PLESKAVA). You will drive through Latvian town Sigulda, continue on the road until you see signs of town “APE”. Turn left to road 68/67 and you will be shortly in Estonia. Drive through Vastse-Roosa until Mõniste, and then follow the signs to Võru. Once you reach the town, Hotel Kubija will be on the right hand (look out for the signs)!

- **From Tallinn airport by car.** Just follow road 2/E263 and the signs Tartu and Luhamaa. Don't drive into Tartu, but go around from the right hand side, following the signs Luhamaa and Võru. When arriving to Võru, drive straight ahead through the town, cross the railway and turn right. Soon you will see signs for Hotel Kubija (you will have to turn left).
- **From Tallinn by bus.** You can find bus schedules on website <https://www.tpilet.ee/en> entering the names of bus stations: Tallinn Coach Station - Võru Coach Station. To see more options, select "Transfer: connecting trips" and it will show all the connections that at first take you to Tartu and then from Tartu to Võru. There are also many Tallinn-Võru buses, but they all make a stop in Tartu anyway 😊

To get from Tallinn airport to the bus station, take a taxi; it is just a 5-6 minutes ride.
